Foreword

The years fly by on winged feet. Time erases all but the deepest scars; only the good is remembered. And to help us recall the school days of 1958-1959, we give you this memento of an especially endearing school year: THE BULLDOG.

The Staff

Dedication

DEDICATION

A sense of pride and pleasure fills our hearts as we dedicate our 1959 BULLDOG. The persons whom we wish to honor are ones to whom honor is due. They are men who are always on the move. Energy radiates from them--energy that could move mountains. Because of their endless efforts, they led our brave and faithful football team all the way to Regional Champs. We, The Staff are proud to dedicate this, the 1959 Bulldog, to our coaches--Head Coach Bobby Anderson and Assistant Coach James Sheffield.

FLATONIA, TEXAS

Feb. 27, 1959

Dear Friends:

May I congratulate the staff of the Bulldog Annual, their sponsors, and the student body for the publication of this the ninth edition. Recognition of the many achievements that have come to our school this year clearly become evident as one turns the pages.

To each graduate goes my best wishes in all of your endeavors. It is my sincere hope that you will continue to take advantage of the educational opportunities that challenge you and thereby reflect credit to yourselves, your parents, and to your school. You have demonstrated the courage and the capabilities which are so necessary for success.

We are proud of the vital part that you played in making Flatonia High School what it is, and ask your continued interest in helping to improve our school.

A Christmas party and entertainment was provided for both Flatonia High and Elementary Schools by the council.

An informational program for the P. T. A. was held. It gave some information about the accomplishments and history of the Student Council at Flatonia High.

Chapter Program of Work For 1958-59

The 1958-59 school year was very active for the FHA. On September 23, the chapter sponsored an Irish Stew Supper. After the supper, Freshman candidates were initiated into the organization. Thirteen members attended the State Fair in Dallas on October 4. This was a new and exciting activity for the chapter. Flatoria was in charge of the color guard and a skit at the District Meeting in Weimar on November 8. November 1 was the date of the Sweetheart Party at which David Tauch was named FHA Sweetheart. During the month of December, Christmas cards were sent to the T. B. Hospital in San Antonio and toys were sent to the orphan's in Austin. The FFA and FHA Christmas Party was held in the gym. The chapter sponsored its third annual Chili Supper and Talent Show on February 17. On March 21, a large number of chapter members attended the Area Meeting at the University of Houston. The Mother-Daughter Banquet was held on March 31. At that time, Cynthia Robinson was presented with the Homemaker of the Year Award. Degree pins were presented to Mollie Farek, Eleanora Schoenweitz, and Cynthia Robinson. FHA Week, April 5-11, was observed with the traditional activities. Local officers for 1959-60 were elected in April. The Senior farewell party and open house for the eighth grade girls ended a successful year.

Future Farmers Of America

The Flatonía High School FFA Chapter began the new school year with 56 members and each member ready to assume the responsibility of accomplishing the many goals the chapter program of work has developed. Due to the high degree of material and resourcefulness of our members our project program has been quite successful. Last year the coveted Lone Star Farmer Degree was awarded to one of our members. The Chapter delegates attended the district, area, and state meetings. The fat stock show and sale was very successful and the Parent-Son Banquet soon followed. Four new members received registered Duroc gilts and these students are to continue this program by furnishing breeding stock to future ag students. The students with the highest degree of achievement received plaques in recognition of their work. Many of our goals have not yet been completed, but our accomplishments are a credit to our school, community, and organization.

Senior Trip

On May 1, 1959, at 3:30 a.m., twenty-two seniors, four room mothers, and three sponsors left for Corpus Christi, Texas. They stayed three days, arriving home on Sunday, May 3, at 5:30 p.m.

They enjoyed touring the waterfront, the Buccaneer Days Carnival, boat parade, dancing on a hired cruise boat, a tour of the King Ranch, swimming at Padre Island, bowling, skating, playing miniature golf, and seeing a movie.

What's the matter? Nothing to do?

One of the main objectives of the Parent-Teachers Association is to promote better understanding between the home and the school.

The Flatonia P-TA has 340 members. Meetings are held on the third Thursday night of each month during the school term.

The local organization has sponsored a number of worthy projects which include the summer roundup for future first graders, eye testing for first graders, innocations for diptheria and whooping cough, the hot lunch program, and it has helped finance many other worth-while projects.

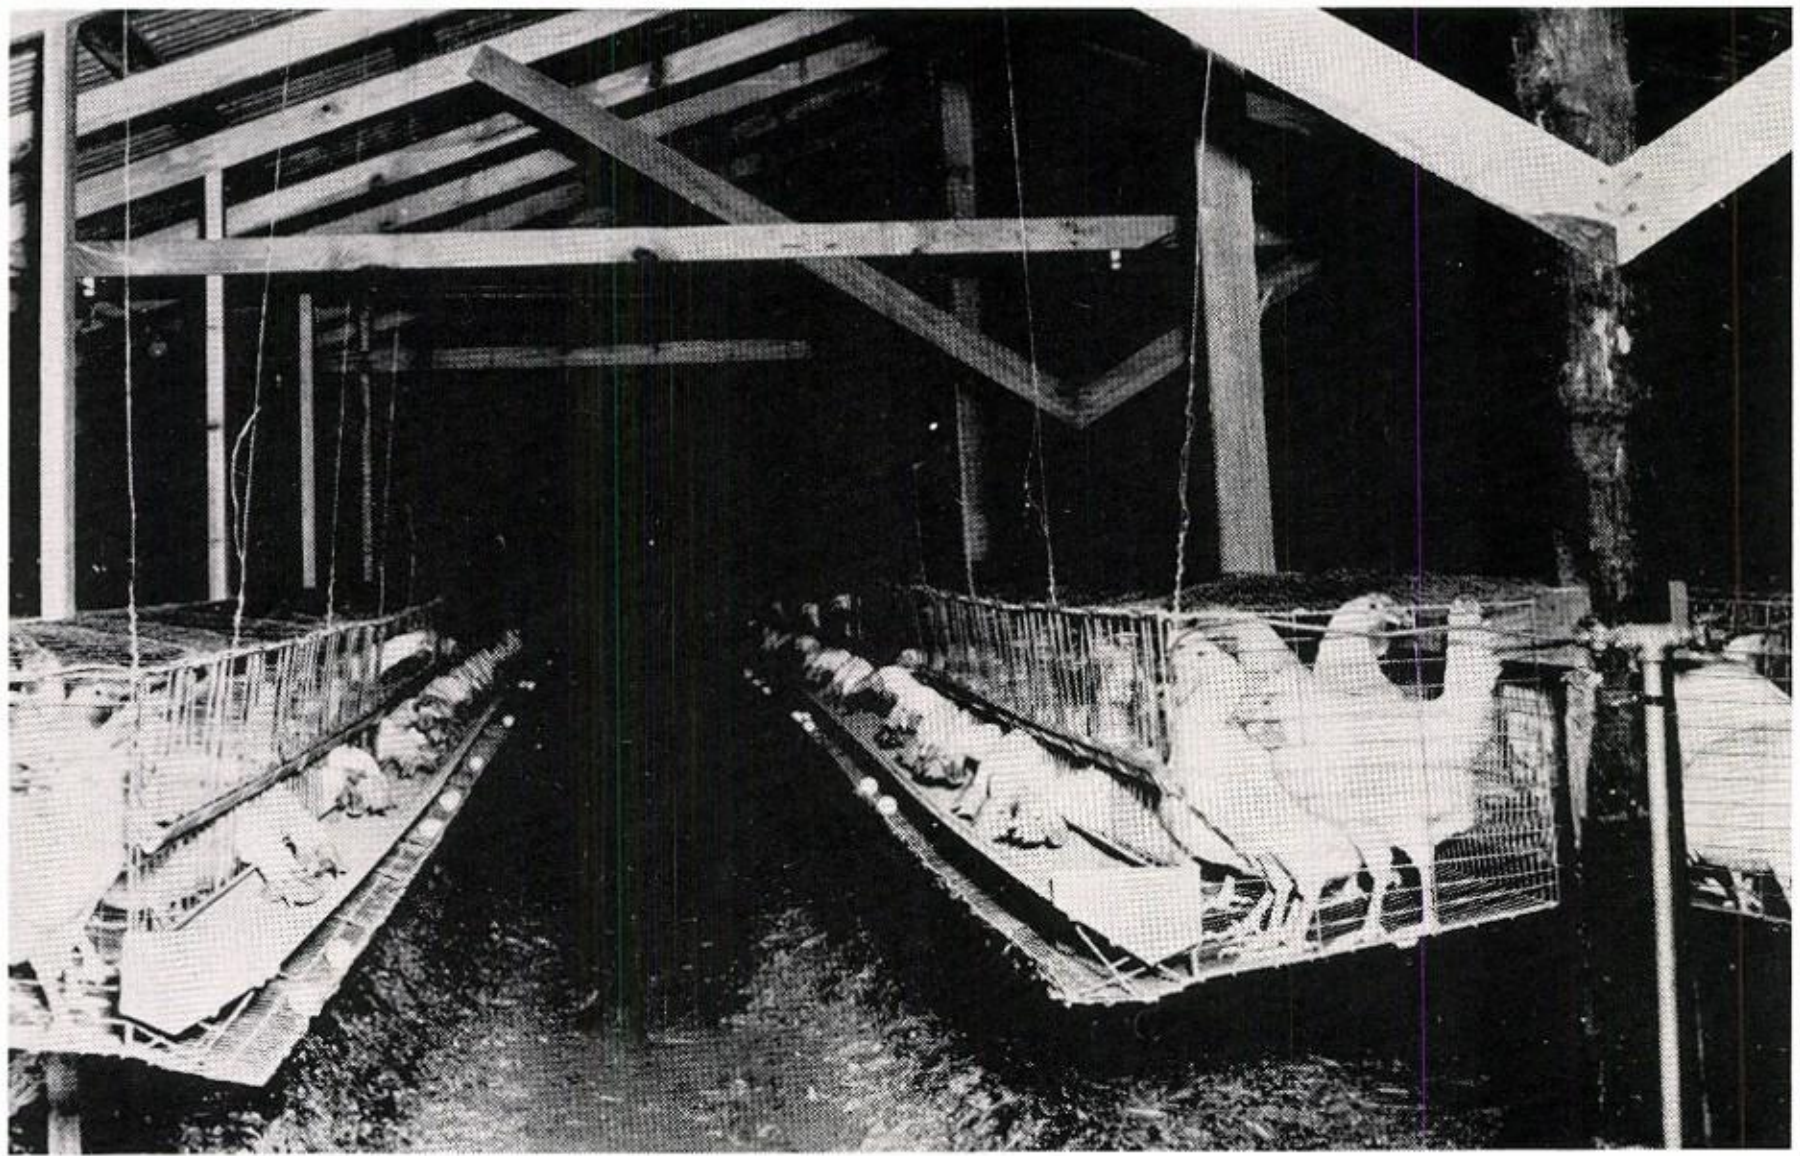

THE FLATONIA ROTARY CLUB

Rotary is a world fellowship of business and professional executives who accept the "Ideal of Service" as the basis of success and happiness in business and community life. In Rotary, thoughtfulness of others is regarded as the basis of service, and helpfulness to others as its expression. Together they constitute the Rotary "Ideal of Service".

The local Rotary Club is composed of 18 members. The Club meets on Thursday at 12:15 in the dining hall above the City Cafe. The meal is served and is followed by a program.

One of the big community projects of the local club is the awarding of a fine watch to the outstanding boy and girl graduate of the local high school. Through an elaborate rating system, the local teachers rate the members of the senior class. The rating sheets are placed in a sealed envelope and turned over to a committee of the Rotary Club to compile the final score. The name of the boy and girl selected to receive the watches is kept secret until time for them to be presented at graduation exercises.

The President of the Flatonia Rotary Club is Mr. W.D. Johnson, the Secretary-Treasurer is Mr. Leon Kainer, and the Vice President is Mr. R.D. Zapalac.
